

SWAPIT & SWPC Spring Meeting

Cheltenham 17th & 18th May 2007

The **South West Association for Paediatric Intensive Care (SWAPIT)** and the **South West Paediatric Club (SWPC)** would like to invite you to their spring meetings at the Sandford Education Centre Cheltenham.

We hope that this will be another excellent opportunity to present new research from the region and to catch up with friends and colleagues for exchanging new ideas. We are particularly keen to encourage our Junior colleagues to present their audit and research work in a relaxed and friendly setting and have made efforts to accommodate both oral and poster presentations. Abstracts for both meetings can be sent

We have lined up guest lectures to talk on a variety of topics including

- PICU Planning for a flu epidemic
- Neurosurgical problems in DGHs
- Finding the evidence for non accidental injuries
- Childhood Internet Pornography – Lessons from “Operation Ore”
- Managing Chronic Fatigue Syndrome
- ... and many more!

Cheltenham is a beautiful regency town and we hope you will make time to come for both days and visit the city and join us for the SWPC Dinner at “The Daffodil”, one of Cheltenham’s most prestigious restaurants (<http://www.thedaffodil.co.uk>)

Registrations are now open for both meetings. **Please note that registrations for the SWAPIT meeting will need to go to Adrienne.Fitt-Williams@ubht.nhs.uk**. The local organiser for the SWAPIT meeting is Lyda.Jadresic@glos.nhs.uk.
