Welcome to Cheltenham!

We would like to invite you to join us for the SWPC Spring Meeting on Wednesday 3rd June to enjoy a day of summer sunshine and excellent education in this hotel on the edge of the Cotswold Escarpment in the green outskirts of Cheltenham, just minutes from the M5.

We have arranged a varied programme of paediatric hot topics that will hopefully offer something for everyone and will leave you both clinically enlightened and also ready to tackle some of the service pressures we all face in Paediatrics at the moment.

As usual we are particularly keen to attract submissions from our trainees, who have an opportunity to present posters or talks on interesting research, audits or clinical cases. This is a great chance to showcase your work, enhance your portfolio and present your achievements to a friendly and supportive audience. **Abstracts of no more than 250 words should be submitted to Thomas.kus@glos.nhs.uk by Friday 15th May.**

For the afternoon we are planning some parallel workshops that will hopefully make the time after lunch both interactive and productive with an opportunity to network across the region and to share good practice in an area of interest most relevant to you – these are open sessions so feel free to either join one or move between them.

Later, we hope you will also be able to join us for dinner in the evening and to enjoy the social side of the day as much as the educational activities.

Travel

By Car – Leave the M5 at Junction 11A and follow signs to Cirencester; after 3 miles or so, at the top of the hill go straight ahead at the Hot Air Balloon roundabout onto the A436 towards Andoversford/Oxford. After another 2 miles, at the roundabout turn left onto the A435 at Seven Springs and the hotel is just on your left as you enter Charlton Kings. There is ample free parking at the hotel.

Public Transport – the nearest train station is Cheltenham Spa, there is no direct bus route to the hotel which is 3 miles from the station – we will endeavour to arrange a lift if you let us know in advance when your train is arriving.
